🧠 Slide Breakdown – "What you should not do" vs. DI Stack

Slide Warning	Grounded DI Response
Use AI for sentencing	✅ **Blocked** – Scroll 91 prohibits overrides of judicial discretion; Compass logic forbids determinism in final penalty application.
Think you can check for "accuracy"	✅ **Handled** – Gatekeeper and AGDI logic trees **don't "check accuracy"**, they enforce **rule compliance** and **scroll-bound causality**.
Trust LLM-generated legal research	✅ **Agreed** – BriefWise and ExpertWise are **DI-based**, not LLM-dependent. All outputs are scroll-sealed and bound to real citations.
Skip human review	✅ **Governed via AGDI Escalation Tier 4** – Human-in-the-loop review is mandatory at override Tier 4 (per Scroll 106 &
